# COMPUTER

## COMPUTER HOLIDAY HOMEWORK

Dear Students,

Please complete the following Computer Holiday Homework during the vacation:

### 1. Question Frame

- Prepare **at least 20 questions** from **Chapter 1** of your Computer textbook.
- Include different types of questions: objective, short answer, and long answer.
- Write the questions neatly and in an organized manner.

### 2. Scrapbook Project

- Choose **any one topic of your choice** (not limited to Computer).
- Prepare a **scrapbook of at least 5 pages** on the selected topic.
- Include **pictures, drawings, or cut-outs** along with your written content.
- Make it neat, creative, and informative.

Wishing you a happy and productive holiday!
